## description

Sell an ingenious GBA module  
Fire Emblem: The Binding Blade  
for 14 €.

Cult with the first GBA part of the series, which never appeared outside of Japan, here in the English fan translation. In Germany, unfortunately, only the two (also ingenious) successor were published on the GBA.

Runs on the Game Boy Advance and on the Nintendo DS and DS lite.

Used, but very good condition, see photos. Module without instructions and packaging, but with protective cover. No official Nintendo module, but fan-made.

Pick up preferred, directly in Einbeck.

Shipping against reimbursement (+ 1.80 € as letter or + 4.99 € as insured parcel with tracking) possible.

When shipping payment by bank transfer or Paypal friends.

We are an animal- and smoke-free household. I sell from private, therefore I exclude any warranty and a withdrawal.

### Overall Condition/ Functionality

:

This bundle is pre-owned and is in used condition. There are signs of wear, use, and age. Scratching, scuffing, smudging, residue and soiling is present. The system reads and plays game cards. It has been reset. No further or extensive testing was performed.

### Console/Video Games Policy:

Not all games or movies come with a booklet, box or case. Our systems are donated and have not been professionally tested or services. When systems can be tested, they are done using shop cables. Lot may include untested cables, controllers, and games. We do not test battery life. Batteries that come with any electronics are sold as is. Some batteries may not be included. We do our best to identify and report any errors such as the PS3 Yellow light or Red Ring on the 360 but not all items can be detected in our inspection. There is no warranty on any of our electronics and no guarantee of how well or how long they will function.

### Disclaimer

: All accessories, if any will be included in the pictures.

Items appear to power on or have operable mechanisms in brief testing. It has not been tested for functionality in any capacity and functionality is not guaranteed. We use a universal power cord/adaptor to determine whether the device will power on; unless stated, the cord/adaptor is not included with the item. We do our best to identify all items, but cannot guarantee accuracy. Item return requests are considered on a case-by-case basis. You are bidding with this in mind. Please bid accordingly.

Our games are sold in used, untested condition. They may be ex-rentals and may have scratches, scuffs, ink marks or label wear. Please bid accordingly.

Please see photos for all games included in this lot and feel free to ask questions.

## Product Description

### Overall Condition/ Functionality

: Untested Sold As-Is.

### Console/Video Games Policy:

Not all games or movies come with a booklet, box or case. Our systems are donated and have not been professionally tested or services. When systems can be tested, they are done using shop cables. Lot may include untested cables, controllers, and games. We do not test battery life. Batteries that come with any electronics are sold as is. Some batteries may not be included. We do our best to identify and report any errors such as the PS3 Yellow light or Red Ring on the 360 but not all items can be detected in our inspection. There is no warranty on any of our electronics and no guarantee of how well or how long they will function.

### Disclaimer

: This is a used, donated item and sold as parts and repair. What this means is that we have not extensively tested the item and it may not work as expected over time. All accessories, if any will be included in the pictures. Items appear to power on or have operable mechanisms in brief testing. It has not been tested for functionality in any capacity and functionality is not guaranteed. We use a universal power cord/adaptor to determine whether the device will power on; unless stated, the cord/adaptor is not included with the item. We do our best to identify all items, but cannot guarantee accuracy. Item return requests are considered on a case-by-case basis. You are bidding with this in mind. Please bid accordingly.

Our games are sold in used, untested condition. They may be ex-rentals and may have scratches, scuffs, ink marks or label wear. Please bid accordingly.

Please see photos for all games included in this lot and feel free to ask questions.

# Swap for Fire Emblem titles

Place: 59071 North Rhine-Westphalia - Hamm

Creation Date: 10/24/2019

Reference: 1238293252

## description

Hello,

I'll change everything in the pictures for the following games:

Fire Emblem (for Gameboy Advance)

Fire Emblem Fates (Special Edition)

Games should be in perfect condition.

Am also already - depending on games and condition - several games for one exchange or vice versa.

Links Awakening (not DX), Oracle of Ages and Four Sword are in the collector's state, the NES Classics in (very) good condition

The games of Majoras Mask and Samus Returns are still sealed.

Exchange in Hamm and surroundings (Dortmund, Münster, Warendorf, Kreis Unna if possible)
